Identifying features

See attached VIN list

VIN (Vehicle identification number)

REC-000011-VIN-List-1.csv (CSV, 3.44 KB)

What are the defects?

The front brake master cylinders on certain Aprilia and Moto Guzzi models may cause the front brakes to drag or bind, affecting handling and brake performance.

What are the hazards?

Reduced brake performance and motorcycle handling increases the risk of accident or injury to the rider(s) and other road users.

What should consumers do?

Affected owners should contact their authorised Aprilia or Moto Guzzi dealers to book their vehicle for inspection and, if necessary, replacement of the front

brake master cylinder, free of charge.

For more information, owners should contact their nearest authorised Aprilia or Moto Guzzi dealer or email warranty@psimporters.com.au
Owners can find their nearest authorised Aprilia dealer at https://www.aprilia.com/au_EN/store-locator or authorised Moto Guzzi dealer at https://www.motoguzzi.com/au_EN/store-locator/?f=all
