MOTO GUZZI

**Model**

V85 TT

**Year range**

2019 - 2020

**Affected units**

73

**Images****Identifying features**

See attached VIN list

**VIN (Vehicle identification number)**

REC-001078-VIN-List-1.csv (CSV, 1.38 KB)

**What are the defects?**

1. The foot rest retaining pins may detach, which may result in the foot rest becoming loose or detaching.
2. The rear drive oil seal may wear over time due to dust or other contamination.

**What are the hazards?**

1. If the foot rest loosens or detaches, the rider may lose control of the motorcycle, increasing the risk of an accident or injury to the rider and other road users.
2. If the rear drive oil seal is damaged or worn, oil may leak onto the rear tyre and potentially cause loss of traction and/or control, increasing the risk of an accident or injury to the rider and other road users.

**What should consumers do?**

Affected owners should contact their nearest authorised Moto Guzzi dealer to

book their vehicle to have an improved pin retainer fitted to the footrest assemblies and an additional dust seal fitted to the rear drive assembly. The dealer will also perform a complimentary seven point function and diagnostic check.

For more information, owners can find their nearest authorised Moto Guzzi dealer at [https://www.motoguzzi.com/au\\_EN/store-locator/?f=all](https://www.motoguzzi.com/au_EN/store-locator/?f=all) or email [warranty@psimporters.com.au](mailto:warranty@psimporters.com.au) for more information.
