Sytec® - Motorsport Fuel Pump & Filter Bracket

The Sytec motorsport mounting bracket was designed specifically for Racing & Rallying, identifying the need for lightness, strength and quick pump release, while ensuring that the pump is secured in position when closed and bolted. Fuel pumps require to be mounted securely, not only for reliability but also safety. The use of a sound sleeve as shown in the pictures will allow a soft mount flexibility reducing vibration and assisting with noise suppression.

The main benefits are as follows:-

- 1/ Solid / Rigid Construction.
- 2/ Lightweight Design.
- 3/ Quick Release Pivot Clamp
- 4/ Available In Anodised Silver , Black or Blue.
- 5/ Four Bolt Mounting For Secure Location.
- 6/ Supplied With 'Standard' Sleeve.

Dimensions:-

Length:-127mm

Height:- 44mm

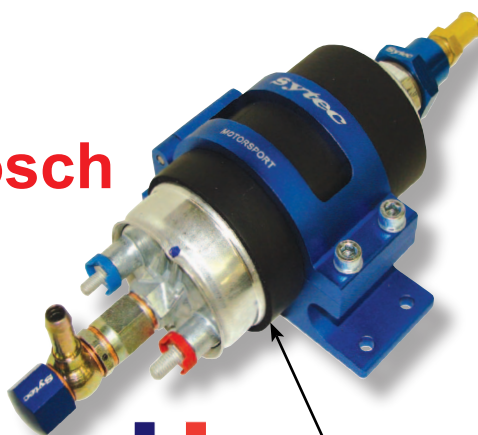

Width:- 77mm
