Chassis prefix: ZGUKM
Engine prefix:

This diagram shows an exploded view of a mechanical assembly. The central component is a large, complex housing or manifold with multiple ports and internal structures. Surrounding this central part are various sub-assemblies and individual components, each labeled with a number. Key sub-assemblies include a pump or motor unit on the left (parts 1-7), a cylindrical component with a flange (parts 8-10), a complex valve or actuator assembly (parts 11-19), a long, curved pipe or hose assembly (parts 20-31), and a series of small, stacked components on the right (parts 32-47). The diagram illustrates the spatial relationship and assembly sequence of these parts.
